Pristine 2005 1,568 sq-ft slab set on full foundation with stem wall crawl space. Big pine trees and ancient junipers offer plenty of shade on its 80 groomed acres. Very secluded, but with an excellent four season road. Property backs up to 640 acres of State land. Fenced on two sides with an excellent well and buried well house. Home comes with or without furnishings. Huge kitchen with an island; master bedroom is also very roomy with a garden tub. The laundry room is large and includes two freezers. Seller will look at all reasonable offers. **Currently has a VA loan and may be assumable by a Veteran!**
